

Class Connect – Primary 3

September 2024

In Literacy this block we will be learning	In Numeracy this block we will be learning
<ul style="list-style-type: none">• To use capital letters and full stops• To sort the alphabet in correct alphabetical order• To add detail about characters to stories and use connectives• To develop our listening and talking skills	<ul style="list-style-type: none">• To count in 2's, 3's and 10's• To follow directions and plot a grid reference• To add lines of symmetry• To add to numbers beyond 30, 50 and 100
In the Wider Curriculum we will be learning	Things you need to know
<ul style="list-style-type: none">• Our mini topic was about our place in the World and saying what makes our World special and unique• We will be starting a new topic – Farm to Fork• We are learning to be resilient and understand our emotions using Building Resilience• To take turns, and work as a team in P.E.• Gym days are Monday and Wednesday• Show and tell is on the Wednesday – participating children will bring a bag home on Monday• Please bring healthy snack• Outdoor learning session is on Tuesday• We are doing the Daily Mile everyday• Please order school lunches by Wednesday	
<p>It has been a great start to the new term. It has been wonderful to watch the new class bond and become such good friends with each other. I look forward to all the learning and fun times ahead in Primary 3.</p> <p>If you need to speak to me, please contact the office. It can be difficult to speak to people at the door when children are arriving. We are always looking for volunteers to support our learning. Please contact the office if you would like to come and support in class.</p> <p>Thanks for your support, Ms. Frampton</p>
