

Class Connect – Primary Six

November 2024

In Literacy this block we will be learning	In Numeracy this block we will be learning
<ul style="list-style-type: none">• To read and respond to a range of questions, including literal, inferential and evaluative questions, to demonstrate understanding of texts.• To revise our knowledge of punctuation through punctuation pals.• To write a recount and develop the ability to organise ideas and include descriptive language.	<ul style="list-style-type: none">• Calculate simple percentages of a quantity and use this knowledge to solve problems in everyday contexts.• Calculate simple fractions of a quantity.• Creates equivalent fractions and uses this knowledge to put a set of commonly used fractions in order.• Expresses fractions in their simplest form.
In the Wider Curriculum we will be learning	Things you need to know
<ul style="list-style-type: none">• We will be exploring the Final Frontier as our class topic• We will be looking at ways to demonstrate having a growth mindset in Health and Wellbeing.• We will be using Minecraft education in ICT, for a hands-on learning experience that enhances critical thinking and problem-solving skills.	<ul style="list-style-type: none">• Gym days are Tuesday and Thursdays• Outdoor learning sessions are on Wednesday and Thursday• Cricket on a Wednesday morning.• Hearts & Mind challenge on Thursday morning.• Please bring healthy snacks.
<p>The children in P6 have warmly welcomed me as their new teacher, filling the classroom with enthusiasm that makes each day a joy.</p> <p>If you need to speak to me, please contact the office. I am happy to answer any questions regarding learning in P6.</p> <p>We are always looking for volunteers to support our learning. Please contact the office if you would like to come and support in class.</p> <p>Thanks for your continued support 😊 Miss Paget</p>
