The children have had a great start to P1 and are settling in well. They are enjoying exploring their new learning environment and getting to know all the	

children in their class. They are getting used to our P1 routine of hearing the bells and coming to the carpet for gather time. Every morning, we do the register, sing songs, do the calendar and look at the visual timetable together so we know what is happening that day. There are lots of opportunities during the day for pupils to choose where and what they would like to learn through play. We will start to introduce the teacher table soon and will work with the children to get used to this new routine.

Please speak to any of the P1 staff if you have any questions. If it is not possible to speak at the end of the day, please get in touch with the office and we will call back.

Miss Kramers, Mrs Kamal, Mrs Valkova
