

Class Connect – August Primary 4

In Literacy this block we will be learning	In Numeracy this block we will be learning
<ul style="list-style-type: none"> To use punctuation correctly, including speech marks To sort the alphabet in correct alphabetical order To enhance story creating using adverbs, adjectives and interesting openers To develop our listening, talking and presenting skills 	<ul style="list-style-type: none"> To develop different strategies to solve multiplication and division problems To correctly use different coins and notes to work out the correct change – we are hoping to visit the Money Museum on the Mound To add to numbers beyond 30, 50 and 100
In the Wider Curriculum we will be learning	Things you need to know
<ul style="list-style-type: none"> Term 1 topic will be about invaders into Scotland – We have a Viking workshop booked in October. We are learning about different artists that use nature in their work, and we are visiting an art gallery to view Andy Goldsworthy's art In health and wellbeing, we will be following the RHSP curriculum and learning about our bodies 	<ul style="list-style-type: none"> Gym days are Wednesday and Friday Show and tell is on the Wednesday – participating children will bring a bag home on Monday Please bring healthy snack Please order school lunches by Wednesday Children need to bring a waterproof jacket everyday – the weather is very changeable
<p>What a fantastic start to the new term. The children have settled back into all school routines and are showing me that they are very ready to learn. They are such a friendly class and always look out for each other. We are very excited about the few upcoming trips and as usual, it would be wonderful to have a couple of adult helpers, if you can help, please let me know. I obviously know the children very well, but if you ever need to speak to me, just grab me at the end of the day for a chat.</p> <p>Thanks for your continuing support, Ms. Frampton</p>
