

The Den

Nurture News

November 2025

In Literacy this block we will be	In Numeracy this block we will be
<ul style="list-style-type: none"> • Developing listening and talking skills • Continuing to practise spelling tricky words and using spelling patterns • Continuing to develop both handwriting and writing skills 	<ul style="list-style-type: none"> • Solving addition and subtraction problems • Solving multiplication and division problems • Learning to read and show different times on analogue and digital clocks and use timetables to solve real life problems.
In the Wider Curriculum we will be	Additional Information
<ul style="list-style-type: none"> • Continuing to learn how to talk about our feelings and ways to manage our emotions • Learning to solve friendship issues • Baking • Taking our learning outdoors • Developing our resilience • Developing our creative skills with Christmas arts and crafts 	<ul style="list-style-type: none"> • We work closely with the class teacher to ensure that learning is stage appropriate and adapted to each child • Children are given a healthy snack each day • Children are involved in choosing their snack and baking activities • If possible, please ensure your child comes to school with a hooded winter jacket for outdoor learning.
<p>We had a great first term in The Den and the children are continuing to make good progress. They love the baking and sensory activities and our room is looking fantastic with all their creative artwork! The morning group also had great fun learning how to put hammocks up in the woods. We have had some new children join us this term and they have settled in well to The Den routines. If you have any questions, please let us know. Miss Smith & Mrs Innes.</p>
