

Class Connect – Primary 3/4

November 2025

In Literacy this block we will be learning:	In Numeracy this block we will be learning:
<ul style="list-style-type: none"> • To develop our fluency and expression when reading. • To answer different types of questions about our reading books. • More about phonics and spelling rules. • To take notes and use them to create new pieces of writing, such as fact-files and information leaflets. • About VCOP and how to use it in our writing. 	<ul style="list-style-type: none"> • To continue to develop our mental agility through Number Talks. • To understand and use different strategies for multiplication and division. • About data analysis and how to read and interpret different graphs, collect our own data, and use it to create different graphs and tables of our own. • More about 2D and 3D shapes, including naming shapes, classifying shapes and creating our own shapes.
In the Wider Curriculum we will be:	Things you need to know:
<ul style="list-style-type: none"> • Learning about "Toys and Games" as a topic. • Developing our knowledge of Spanish with Ms Andres. • Continuing to build on our resilience and our growth mindset skills. • Taking part in RSHP lessons. • Continuing to develop our music skills through Big Noise sessions. • Having opportunities to work with Shona from Edible Estates in the Garden. 	<ul style="list-style-type: none"> • Mondays, Tuesday, Friday – Ms Andres • Wednesdays, Thursday – Mrs Dastoori • Gym days are Tuesdays and Wednesdays. • Outdoor learning is on Fridays. • Please try and bring a healthy snack and a water bottle. • Join the Learning on Wednesday 19th November from 2-2.45pm.

It has been another great start to the new term. The class was lucky enough to have the opportunity to go on a trip to the National Museum of Scotland. The pupils did a wonderful job of representing the school throughout this trip and were very enthusiastic about their Roman workshop. We have lots of nice things planned this term and are looking forward to the pupils continuing with their hard work, effort and positive attitudes.

If you need to speak to us, please do not hesitate to contact the office. It can be difficult to speak to people at the door when children are arriving/going home. We are always looking for volunteers to support our learning. Please contact the office if you would like to come and support in class.

Thanks for your continued support,

Ms Andres and Mrs Dastoori
