<p>Having now worked with our wonderful class for a year and a term, I continue to be amazed with all the wonderful learning that our pupils are engaging in. They continue to utilise our well-established routines to thrive in our calm and organised learning environment. We continue to have support for our class, including garden time, pets as therapy, ASN support and groups with our amazing SFL teacher, Mrs Hendry. We will also have Savva, a pupil from George Herriots School, volunteering with our class on Thursdays. However, I continue to be here to support in any way I can, so if you need to speak to me, please contact the office to arrange a meeting. Thanks for your continued support, Mr Harley.</p>
