Happy New Year from the P1 team. I hope everyone has had a lovely holiday. It was so nice to see everyone back at school last week and hear their news. The class have settled back into our familiar routines very well.

Everyone is making their own progress with their learning and working hard at the teaching table and through play. Monthly class updates will continue to be published on our P1 page on the school website, so you can see what we have been up to in our learning!

I am looking forward to speaking to all of you at our next parent consultations before the February holidays. If you are having problems signing up to an appointment, please get in touch with Ryan at the school office.

As always, please get in touch if you have any questions.

Miss Kramers, Mrs Kamal, Mrs Valkova and Miss Parry 😊
