| <p>It has been great coming back after the holidays and having such a wonderful start to the new term. We started the new term off by going on a walk around the local community as part of our new "Our City" topic. We are hoping to go on a few more trips this term to help us learn as much as we can about the city that we live in.</p> <p>If you need to speak to us, please do not hesitate to contact the office. It can be difficult to speak to people at the door when children are arriving/going home. We are always looking for volunteers to support our learning. Please contact the office if you would like to come and support in class.</p> <p>Thanks for your continued support,
Ms Andres and Mrs Dastoori</p> | |
