<p>Term 3 has started with an enthusiastic effort from Primary 4. There is always so much to fit into the timetable, but P4 is eager to learn and contribute so much effort into everything that they are learning. As usual, topic remains a popular part of the day, and the children will look forward to inviting adults from home to join the learning soon to show off all their amazing work. Please keep checking the website for updates as the children love you to see what they have been up to.</p> <p><a href="#">P4 August 2025  </a></p> <p>Thanks for again, for your continuing support, Ms. Frampton</p>
