<p>Primary 5 continue to grow in their self-confidence and academic ability every term. It is truly a pleasure to continue to work with this amazing group of young people. This term we will once again be putting a big focus on Scottish History. This will include our second 'Celebrate Scotland' event in February. A show for parents and family including poetry recitals, singing and some Ceilidh dancing for parents to join in with too! We continue to have some support for our class, including garden time, pets as therapy and SFL groups with Mrs Hendry. Reflecting on our series of class trips at the end of last term, I want to share how proud I was of all P5 and how brilliant they were at representing our school. Thanks for your continued support, Mr Harley.</p>
