

Class Connect – Primary Seven

January 2026

In Literacy this block we will be learning	In Numeracy this block we will be learning
<ul style="list-style-type: none">• To read and respond to a range of questions, including literal, inferential and evaluative questions, to demonstrate understanding of texts.• To explore the elements which writers use in different genres to create stories, poems and plays with an interesting structure, interesting characters and/or settings which come to life• To continue to revise punctuation.	<ul style="list-style-type: none">• To add and subtract fractions with same and different denominators.• To multiply fractions.• To revise place value linked with decimals.• To revise number operations.• To understand expressions and equations.
In the Wider Curriculum we will be learning	Things you need to know
<ul style="list-style-type: none">• We will be doing Lagganlia as our class topic. This will include looking at environmental issues, Scotland's landscapes and getting ready for camp.• We will be starting RSHP lessons and working on our nurture principles.• We will be starting to learn French and try to revise Spanish/Italian.	<ul style="list-style-type: none">• Gym days are Tuesday and Thursdays• Outdoor learning sessions are on a Wednesday.• Please bring healthy snacks.• We will have a trip to Edinburgh Castle on the 19th January• School Camp will be 23rd – 27th Feb
<p>I'm really enjoying my time teaching P7. We had a great end to 2025 and start to 2026. The class are doing well and showing great enthusiasm for our learning.</p> <p>If you need to speak to me, please contact the office. I am happy to answer any questions regarding learning in P7 or any questions concerning camp.</p> <p>We are always looking for volunteers to support our learning. Please contact the office if you would like to come and support in class.</p> <p>I truly appreciate your support and look forward to continuing this journey with the class 😊</p> <p>Mrs. Moncrieff (formerly Miss Paget).</p>
