

# Class Connect – P1

November 2025

| In Literacy this block we will be learning                                                                                                                                                                                                                                                                                                                           | In Numeracy this block we will be learning                                                                                                                                                                                                                                                          |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"><li>- To read and write 3 and 4 letter words using all their sounds.</li><li>- To identify and write an increasing range of tricky words.</li><li>- To write a sentence using a capital letter, full stop and finger spaces.</li><li>- To continue to create detailed drawings and write a sentence about their picture.</li></ul> | <ul style="list-style-type: none"><li>- To continue to work towards our own numeracy skill targets.</li><li>- To explore half and whole.</li><li>- To identify coins up to £2.</li><li>- To use addition and subtraction skills and use the correct coins to pay for something up to 10p.</li></ul> |
| <b>Wider Curriculum</b>                                                                                                                                                                                                                                                                                                                                              | <b>Things you need to know</b>                                                                                                                                                                                                                                                                      |

- We will be exploring different science topics including living and non-living things, growing plants and life cycles.
- P1 will also be learning about what life was like in the past.
- As part of our health and wellbeing work in P1, we will be learning about our private body parts, privacy and looking after a baby.
- We will also continue to learn some Spanish through songs and actions.
- All pupils will attend Big Noise music sessions on Wednesdays and Fridays.

- Please make sure children bring water in their bottles to school.
- Now that the weather is getting warmer, please make sure children are wearing appropriate clothing and suncream if necessary.

#### **Diary dates**

- Join the Learning – Wednesday 13<sup>th</sup> May
- P1 trip to National Museum of Scotland – Thursday 14<sup>th</sup> May
- Holiday (No school) - Monday 18<sup>th</sup> May
- Reports issued to parents – Friday 12<sup>th</sup> June
- Last day of term – Friday 26<sup>th</sup> June

It's the last term of P1! I can't believe how fast the year has gone. It has been so wonderful watching the children learn and develop new skills over the year. We have so many exciting plans for the summer term.

This term we are planning 2 trips. We are going to the National Museum of Scotland on the 14<sup>th</sup> of May and we are planning a trip to Saughton Park in June. More information will follow via email.

The children continue to make their own progress in literacy and numeracy. Reports will be issued in June with a detailed summary of how they are getting on.

This term we would really love to invite families into our classroom who speak a different language at home. We would love it if you could read us a short story in your language or teach us a song! Speak to Miss Kramers if you are interested.

As always, please get in touch if you have any questions.

Miss Kramers, Mrs Kamal and Miss Parry 😊
