

Class Connect – Primary Six

May 2026

In Literacy this block we will be learning	In Numeracy this block we will be learning
<ul style="list-style-type: none">• We will work with reading groups/ class novel to read and respond to a range of questions, including literal, inferential and evaluative questions, to demonstrate understanding of texts.• We will continue to complete reading comprehension.• We will continue to revise punctuation.• P6B will be exploring features of persuasive writing texts and will work to write our own persuasive writing pieces on a topic related to our class topic.• P6A will be planning, writing, editing and publishing a creative text.	<ul style="list-style-type: none">• We will be estimating and measuring lengths, mass and volume using appropriate units.• We will also be converting between different units of measure.• We will continue to explore decimals tenths and hundredths.• We will be revising the four operations.• We will be completing money calculations, working out profit and loss.
In the Wider Curriculum we will be learning	Things you need to know
<ul style="list-style-type: none">• We will be doing Our Canal as our class topic. This will include looking at the history of the canal and the environment around the canal.• We will be continuing the Building Resilience program.• We will be continuing to learn French as our modern language.	<ul style="list-style-type: none">• PE days are Tuesday, Wednesday and Friday for P6A.• PE days for P6B are Tuesday and Thursday.• Please bring healthy snack-no fizzy juice please!• Big Noise class sessions will continue for P6A and P6B on a Wednesday morning.

Thank you for your continued support throughout this year! We have thoroughly enjoyed teaching Primary 6 and it's hard to believe we've reached our final term together.

If you have any questions regarding this term please feel free to ask!

Many thanks,

Miss Crawford and Miss Birnie 😊
