

Class Connect – August Primary 4

In Literacy this block we will be learning	In Numeracy this block we will be learning
- To consistently use punctuation correctly in our writing - To sort the alphabet in correct alphabetical order and learning dictionary skills - To enhance story creating using adverbs, adjectives and interesting openers - To develop our listening, talking and presenting skills	- To develop different strategies to solve multiplication and division problems - To correctly use different coins and notes to work out the correct change. We are visiting the Money Museum on the Mound on Wednesday 17th September. - To add and subtract numbers beyond 30, 50 and 100
In the Wider Curriculum we will be learning	Things you need to know
- Term One's topic will be about the Highlands and Islands of Scotland - we are creating lots of amazing art for this topic. - In health and wellbeing, we will be following the Building Resilience Programme and learning how to manage our emotions and be resilient. - P.E. - We are focusing on teamwork and ball skills.	- Gym days are Wednesday and Thursday. - Show and tell is on the Wednesday – participating children will bring a bag home on Monday. - Please bring healthy snack. - Please order school lunches by Wednesday. - Children need to bring a waterproof jacket everyday – the weather is very changeable.
What a fantastic start to the new term. The children have settled back into all school routines and are showing that they are very ready to learn. They are such a friendly class and always look out for each other. We are very excited about the few upcoming trips and as usual, it would be wonderful to have a couple of adult helpers. If you can help at either trip, please just let the office know. If you need to chat or pass on some information about your child, I am available at the end of the day. Thanks for your continuing support. Ms. Frampton
