

Class Connect – Primary 7a

August 2026

In Literacy, this block, we will be learning to...	In Numeracy, this block, we will be learning to...
- Write creatively using our adjectives to help enhance our writing. - Respond to questions and have full class discussions based on our whole class novel 'The Truth Sayer'. - Develop our vocabulary by learning a new spelling rule each week.	- Develop our knowledge of place value up to 7-digits. We are learning to understand the value of digits, counting forwards and backwards and becoming confident at reading and writing numbers. - Add, subtract, multiply and divide whole and decimal numbers. - Explore rounding and its functions in real life context.
In the Wider Curriculum, this block, we will...	Things you need to know about our class.
- Explore our topic 'Inside the Industry'. Covering a variety of enterprise-based skills. - Be developing our skills to hold our own fundraiser which will provide different goods and services. - Continue to engage positively with Big Noise during our Monday afternoon whole class session.	- Our PE days are Tuesdays and Thursdays with Mr Glynn. - Please bring healthy snacks and a water bottle every day, with water or diluting juice only. - We will often take advantage of outdoor learning, so please dress appropriately for the weather. - Mrs O'Neill will be working with our class every Wednesday.
P7a have settled into their final year well, establishing their new routines and getting to know all the staff that will be working with them. This year P7a has lots of great support for our learning journey, including support from Mrs Halliday our PSA, Mrs Hendry our SFL teacher, Big Noise and About Youth. I am here to support in any way I can, so if you would like to meet to discuss anything, please contact the office to arrange a meeting with me. It can sometimes be difficult to give my full attention to people in the doorway when children are arriving/leaving. I'm very much looking forward to the year ahead and all the adventures that lie ahead for our P7 pupils. – Miss Farquharson.
