

Class Connect – Primary 7b

August 2026

In Literacy, this block, we will be learning to...	In Numeracy, this block, we will be learning to...
• Expand our vocabulary used in our creative writing by exploring a wide range of genres. • Develop our questioning and evaluating skills through our reading group novels. • Work together as a team, responding appropriately to other opinions and adding to our own.	• Understand the value of each digit within 7-digit figures. Including developing our ordering, comparing, expanding and manipulating skills. • Identify, create and explore patterns and relationships between numbers. • Increase our quick recall of 4 function skills through our Rainbow Math progression.
In the Wider Curriculum, this block, we will...	Things you need to know about our class.
• Explore what it takes to create and run our own small businesses. Including idea generation, market research, advertising and profit/loss. • Begin to develop our fundraising goals for our P7 adventures. Including sharing our ideas and working collaboratively with others. • Continue to engage positively with Big Noise, during our Wednesday morning whole class session.	• Our PE days are Tuesdays and Wednesdays with Mr Glynn. • Please bring healthy snacks and a water bottle every day, with water or diluting juice only. • We will often take advantage of outdoor learning, so please dress appropriately for the weather.
P7b have settled into their final year well, establishing their new routines and getting to know all the staff that will be working with them. This year in P7b we have lots of great support for our learning journey, including support from Mrs Diack our PSA, Mrs Hendry our SFL teacher, Big Noise and About Youth. However, I am also here to support you in any way I can, so if you would like to meet with me to discuss anything, please contact the office to arrange a meeting. It can sometimes be difficult to give my full attention to people in the doorway when children are arriving/leaving. I'm very much looking forward to the year ahead and all the adventures that we have planned for our P7 pupils. - Mr Harley.
